INSTRUCTIONS FOR ATTENDING A PRIVATE LESSON

1. Reservations for a private lesson must be made by phone. Call (913) 667-3044.
2. After confirming a date and time for your lesson, fill out the registration form and sign this instruction sheet and bring to the appointment with you.
3. **Payment for private lessons must be cash or money order.** Credit cards and checks are **not** accepted for private lessons as there is no way to process onsite. Make money orders payable to the instructor providing you with the lesson. Payment is required before the lesson begins.
4. Bring the guns you wish to train with in an unloaded condition and in a container that fully encases the firearm. In most cases guns can be provided if necessary. Make that arrangement in advance with the instructor you are scheduled with. If the lesson is being conducted at The Bullet Hole handguns may be rented for \$5.00.
5. You will need 100 rounds of ammunition for each two hour session. You may purchase from The Bullet Hole, or if using guns provided by the Instructor and the lesson is being conducted offsite he/she will be able to sell you the ammunition.
6. You will need eye and ear protection. You may rent from The Bullet Hole or the Instructor will have these items for loan if lesson is being done at a private range outside of The Bullet Hole.
7. You will be responsible for any range fees or target fees needed. Instructors will provide this info when making the appointment.
8. You must be a member of The Bullet Hole for lessons conducted at that facility. If you are not a member you may purchase an annual membership for \$20.00 from The Bullet Hole the day of your appointment. If the lesson is being conducted at an offsite private range there may be a range fee required. The Instructor you are scheduled with will inform you of the fees.
9. Plan to arrive 15 minutes prior to the time of your appointment to allow time to check in and obtain any equipment or supplies you need. Your lesson begins at your scheduled time, not arrival time.
10. If you cannot keep your appointment please give us 48 hours notice. If you are a no show without calling at least an hour or more in advance to cancel for an acceptable reason, we reserve the right to refuse to reschedule time for you in the future. Instructors must spend time traveling to the range facility and preparing for the lesson. Please respect their time.
11. Observers are generally not allowed to attend during your lesson. This is however at Instructor discretion and some allowance may be made for parents of minor students. Should the instructor allow an observer, they are expected to remain uninvolved and not interject or interrupt during the lesson. Instructors are professionals and know what is in the best interest of the student.
12. Private lessons are \$75.00 per hour, minimum two hours.
